

In the Specification:

Please replace the paragraph starting on line 6 of page 1 with the following amended paragraph:

This is related to Viswanath et al., co-filed U.S. patent application Ser. No.: ~~filed on _____~~, titled ~~“Customizable Two-Step Mapping of Extensible Markup Language DATA in an e-Procurement System and Method”~~, attorney docket No.: ~~SUN/P6535/ACM/DKA 09/982,210~~, filed on October 17, 2001, titled “Customizable Two-Step Mapping of Extensible Markup Language Data in an e-Procurement System and Method”. To the extent not repeated herein, the contents of this patent application are incorporated herein by reference.

Please replace the paragraph starting on line 12 of page 19 with the following amended paragraph:

Although the data objects and attributes may differ, the document transformation logic of the present invention relates the data object and attributes in a manner that enables the XDOC 220 to retrieve data in a relational manner when exact information of a purchase requisition is not found in the Database 140. The function and method of the file layout in Database 140 and Memory 160 is described in U.S. patent application titled “Dynamic Criteria Based Line-Grouping Mechanism and Method for Purchase Order Generation”, filed on ~~[[_____]]~~ October 15, 2001, Serial No.: ~~[[_____]] 09/981,147~~, ~~attorney docket number SUN-P6514~~, assigned to the assignee of the present invention and hereby incorporated by reference herein.
